PHOENIX MUN 2025 - INVITATION

Dear Esteemed Delegates,

On behalf of Phoenix Greens School, it is with great honor that we extend to all the delegates an invitation to the Model United Nations Conference scheduled for the 14th and 15th of July, 2025.

PGMUN aims to help develop leadership skills, research, writing, public speaking, and problem-solving skills and in the process, students enjoy exploring new places and sharing common experiences with teammates and friends.

PGMUN is an ideal place to hone analytical skills like negotiation, conflict resolution and cooperation in a simulated environment. Students are challenged and are required to solve the tasks after examining the concerns of different countries based on past precedents and to come up with acceptable solutions that are approved by a majority of the representatives.

Committee agendas have been meticulously selected to align with our passion for fostering change. This year's committees include the United Nations Security Council (UNSC), Disarmament and International Security (DISEC), United Nations Human Rights Council (UNHRC), World Health Organization (WHO), and Economic and Social Council (ECOSOC). We eagerly await the innovative and creative contributions each delegate is poised to present.

Recognizing the intricacies of event planning, our secretariat is committed to demonstrating utmost flexibility, ensuring your full engagement in the conference.

We eagerly look forward to the opportunity to address you once more at the event.

Warm Regards
Phoenix Greens School

PGMUN

CHAPTER II
